

BEEP! BEEP!

WE'RE YOUR NEW PICKUP HOOKUP.

Hi and welcome to the Trash Taxi! Thanks for signing up. We look forward to providing clean, safe, reliable service. We're ready to start your collection service on the next scheduled service day. Please bag your trash before putting it in the container(s) we have provided. Be sure to have your containers out the night before pickup (Sometimes we come really early). If you have any questions or concerns, don't hesitate to give us a call or send an email.

TRASH REMOVAL GUIDELINES

- Put trash out Tuesday night, the night before your collection day. We start early!
- You may put up to 3 bags of yard waste out with your pickup.
- Customers are responsible for cleaning their trash cans. Keep your can happy by using a disinfectant! Your can will stay cleaner longer if you bag your trash.
- Georgia law prohibits us from collecting batteries, tires, oil, liquid paint or combustible materials deemed hazardous, such as propane tanks or acids.
- Bulky materials such as drywall, concrete, bricks, dirt, tree limbs, sofas, major appliances, or rocks are not accepted for regular pickup. Call the office to set up an estimate for removal.
- Use proper disposal of needles with sharps containers as advised by your physician.
- We do not accept dead animals.
- Notify our office immediately when moving or transferring service.
- Extra fees will apply for extra trash beyond 3 bags outside the container.

ABOUT OUR RECYCLING PROGRAM

Trash Taxi will provide a trash container and a recycling container to your home. We will service them on the same day, but with separate trucks. Trash Taxi utilizes 'single-tream' recycling, which doesn't require any sortation by the customer. All your recyclables go into the same container and sortation takes place later at our recycling facility. Here is a list of commonly asked about items, and whether or not we can recycle them.
